Hi Mike,

Where you left a comment and in other place referencing "CFS", I've just changed "CFS" to "Petitioner" and accepted your edit. Otherwise, the declaration should be ready for signature.

If you haven't had the chance to look over/sign the last version, DOJ just sent us back a couple of minor edits (missing word in one sentence, spacing correction, italicized "see").

Apologies for the last minute update.

Hi Mike,

Attached is the final version of the difenoconazole declaration, ready for your signature. If you see anything you'd like to quickly discuss, feel free to give Erin or I a call.

Thanks!
